East Valley Tribune Real Estate news...

Kind words from a valued client...

â€œWe would like to thank you for all of your help with finding us our first home. As first time home buyers, we had many questions and were unsure of how the process worked, but you helped us along the way and provided us with many answers. You were very responsive with phone calls and emails, which helped put our minds at ease. You made the process very smooth and we

appreciate that very much. Thank you for all of your help!â€• Kim and David Foster

I want to take this opportunity to thank you for all your help with the investment house purchases for Hoots Family Investments. We have all of them rented! Paula and I have done business with several other real tors over the years but, your quick response to our calls, professionalism, knowledge, and your complete understanding of what we are looking for, have made it so we call no one else for our home investments. We have and will continue to refer any business acquaintances, friends, and family with real estate needs to you. Sincerely, Kathysue and Paulajean
