

# Diamond in the Woods

955 Reed RD

## Property Description

Diamond in the Woods offers a setting that is perhaps dreamed about by many who seek to position themselves in the Colorado Mountains so that they blend in with the environment and enjoy the visual beauty of the world around them. The moment you walk into this stunning ranch style stucco home with three bedrooms, three baths and 3640+/- square feet of heated living area you will be mesmerized by the incredible scenery! 842 feet of decking wrap three sides of the home. The home is designed so you can do all your living on one level if you so desire. The west wall of the great room is windows filled with views of the Sangre de Cristo Mountains. A beautiful dry stack stone fireplace in the corner has the capacity to heat the main level. The kitchen is a cook's delight. The main level also has the master suite, an additional bedroom and laundry/ mud room with access to the oversized two-car garage. The walk-out basement level has a large family room with surround sound, a fully equipped wet bar and pellet stove. There is also a large guest bedroom, three-quarters bath and 950+/- square feet of unfinished area on this level. The driveway is off a county maintained road, a short distance from State Highway 69N. The 36.2+/- acres in the Woods at Gem Mountain has a varied terrain. There is a place for a barn and pasture. Rock outcroppings, slopes and ridges covered with a vibrant tree cover always provide interesting views. The backside of the property is a turkey preserve. Access is easy to Westcliffe and Front Range cities.
